

## 3rd Annual H2LAC Industry Award Winners Announced

**H2LAC 2024 Industry Awards Celebrate Leaders Shaping the Hydrogen Future in Latin America and the Caribbean**

**SANTIAGO, Chile – June 06, 2024** – New Energy Events, organizers of the **Hydrogen Congress for Latin America and the Caribbean**, announced the winners of the 3rd annual H2LAC Industry Awards, honoring extraordinary achievements in the regional Hydrogen economy. The awardees were recognized at a celebratory cocktail reception during the 4th annual H2LAC in Santiago, Chile.

### **H2LAC 2024 Industry Awards Winners:**

- **2023/2024 Hydrogen Industry Leader MVP:** Rosilena Ivette Lindo Riggs
- **Best Government Initiative:** Government of the State of Ceará
- **Best Hydrogen Industry Service Provider:** Hiniçio
- **Best Pioneer Hydrogen Production Project in LAC:** CH2V Hydrogen Refueling Station

Award recipients were selected by an industry-leading Advisory Committee comprising of Fernando Maceda from H2 Peru, Michelle Hallack from The World Bank, Monica Gasca from H2Colombia, Israel Hurtado from H2Mexico, Dr. Sérgio Pinheiro de Oliveira from ABH2, and Marcos Kulka from H2Chile.

"Since its launch in 2022, the H2LAC Industry Awards have become a prestigious platform to recognize the groundbreaking achievements and visionary minds shaping the region's hydrogen future," said Francisca Salas, Program Director of H2LAC. "This year's winners were meticulously chosen by a panel of independent industry experts, following a comprehensive nomination process. They represent the vanguard of Latin America and the Caribbean's ambitious journey towards a world-class hydrogen economy."

"We are deeply honored to be recognized for our commitment to innovative governance and sustainable development in the State of Ceará. This prestigious award inspires us to continue our efforts in fostering positive change and strengthening international partnerships. Our heartfelt thanks

to all those involved" - Roseane Medeiros, Secretary of International Relations for the Government of the State of Ceará.

The Hydrogen Congress for Latin America and the Caribbean (H2LAC) is being held from June 5-7 at the W Santiago, Chile. To learn more about H2LAC or the 2024 H2LAC Industry Awards, please contact New Energy Events.
